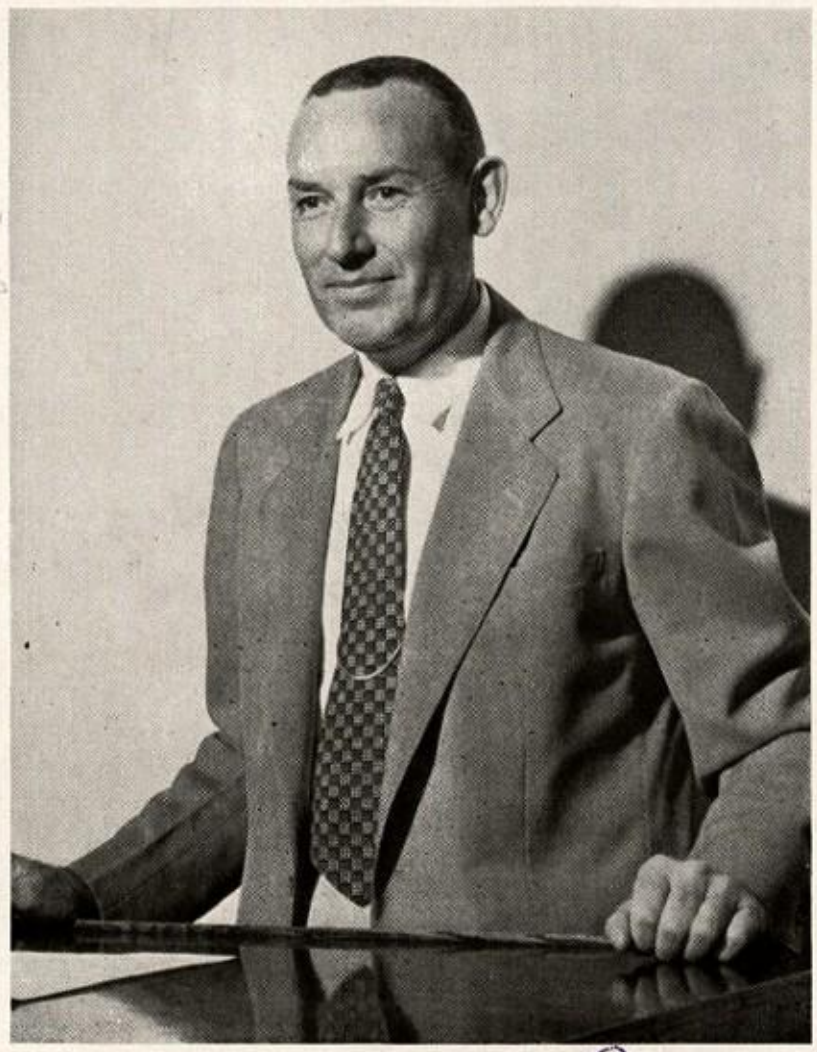
This is our School Building. Here we have spent many happy hours. Basketball games, track meets, and football games happened here—There were tense moments — when we faced exams, and when we received our report cards. There were some times too a little sad — when we received our diplomas and knew that the bell had rung the last time — telling us to come to school. This was also a proud time — for we had reached the goal we have been striving for - - - Graduation.

**Meet Mr. Mace, trustee.** Many of you have probably seen his smiling face around school or maybe at the ball games, because he is interested in the sports of our school. His cheerful co-operation is greatly appreciated by all the students of Sheridan Hi.



Larry Hobbs

Meet Mr. Hobbs, our principal, whom we have grown to know as our personal friend and advisor.

He takes an equal interest in every student and devotes his time to hearing our problems and lending his advise.

When we leave the hall of S.H.S. we hope our paths may cross his again, because his friendship is worthwhile.

Meet the faculty. These are the teachers who have been so patient with us all these years. They were always willing to give us advice and help when we needed it most. Long after we leave S. H. S. we will remember them because they have helped prepare us for what is ahead.

There may have been times when we thought their assignments were unjust, but now we realize it was for our own good.

When graduation time comes, we'll know they are greatly responsible for our achievements.

# Senior History

We entered high school in 1949 and as most Freshmen, we thought we were really somebody. That year we elected Roland Inskeep, President; Jimmy Gary, Vice-President; Bob Hines, Secretary-Treasurer; and Jimmy Kinkead, Sgt. At Arms.

We did two main things as a class that year. One was to have a wiener roast at Bob Hines' followed by a hayride. In the spring we went to Turkey Run State Park.

Even as freshmen, the students showed signs of becoming leaders, by participating in athletics, music contests and other activities.

When we were sophomores, we elected Jim Gary, President; Mary Johns, Vice-President; Kenneth Alexander, Secretary-Treasurer; and Meredith Went, Sgt. At Arms.

This year we had a roller skating party at Rollerland. Remember how stiff your muscles were after that?

As Juniors our work began. No more parties for a while. The following people were elected to shoulder the responsibilities: Judy Wright, President; Arnola Boyer, Vice-President; Mary Johns, Secretary-Treasurer; and Lora Pettigrew, Sgt. At Arms. All girls! Maybe you were surprised, well, so were the girls!!

We thought that as Juniors we worked hard, but as Seniors we worked even harder. For our class officers this year we went back to the boys. Roland Inskeep, President; William Hunt, Vice-President; Otto Linn, Secretary-Treasurer; and Jimmy Gary, Sgt. At Arms.

As Juniors we gave our first play, entitled, "It's a Hit," under the direction of Mrs. Elsie Gary. We gave our second play while we were seniors. The title was "To Blush Unseen." It was also under the direction of Mrs. Gary.

We have all appreciated Mr. Waitt and Mrs. Griffith, who have been our sponsors.

May 2 was set as the day to begin our trip. It was decided that we would go to Washington, D. C. and New York. Our Baccalaureate was held May 10 and May 11 was our Commencement.

# In Memoriam

## PATRICIA ANN MINTIER

I cannot say, and I will not say
That she is dead - - she is just away
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since she lingers there.
So think of her faring on, as dear
In the love of There as the love of Here;
Think of her still as the same I say:
She is not dead - - she is just away.

James Whitcomb Riley

The class of "54" met as a high school group in the fall of 1950. This, of course, was their Freshman year and an important year too, for it marked the beginning of their last four years at Sheridan High School, and also the end of actual initiation of Freshmen at Sheridan.

Our class sponsors were Mrs. Juilet Hershman and Bert Eudaly. We elected the following officers: Pres. Dale McCullough, Vice-Pres. Bud Harris, Sec.-Treasurer Kathleen Merrill, Sgt. Arms Freddie Kinkaid. We had one class party that year, which was held in the gym.

Our sponsors for the Sophomore year were Doris Griffith and Bert Eudaly. Our officers were: Pres. Bob Sanders, Vice-Pres. Loretta Evans, Sec.-Treasurer Kathleen Merrill, Sgt. Arms Bud Harris. We had a hay ride that year which was a success even though it did rain on our way back to town.

In our Junior year, with only one year ahead of us, our sponsors are Doris Griffith and Bert Eudaly. The class officers are: Pres. Dale McCullough, Vice-Pres. Bud Harris, Sec.-Treasurer, Joan Arthur, and Sgt. Arms Evan Reed. We are working hard with coke and pop corn concessions to earn enough money for our Senior trip. Luck is with us, since both the county and sectional basketball tournaments are being held at Sheridan this year, which will be a big boost to our concessions. See you in Washington, D. C.

*. . . . . AS TIME PROGRESSES*

# Sophomore Class

Although there was not much change over last year, we had an enjoyable time this year. Thanks to the time and effort of Mrs. Linn and Mr. Inskeep. One of the highlights of the year was a hayride following a weiner roast at Gene Blackstone's. We are proud of the boys and girls who have represented us in athletics and other contests.

## . . . *"TIME FLEES"* . . .

These are the precious three minutes between classes. The time when you can talk instead of being talked to. Then there are those times when you open your locker door and all of your books fall out. This usually happens when you are in the biggest hurry to get to one of your best classes, and you get there only to find that there is going to be a test that period and you haven't studied. Oh woe! Too bad they didn't fall out again.

The band started the 1952-53 school year in September with 24 members. By the end of the first semester membership was 39.

Activities for the year included playing for all the home football and basketball games, including half time shows at most all games. Thirteen Noblesville H. S. Twirlers with Ley Anne Van Sickle as instructor gave a dance and twirl act at the Noblesville basketball game. One show was a lighted baton act by Ley Anne. Two shows were by the new flag twirling team of the Sheridan band. Another first was a flag presentation team from the band at the last five home basketball games.

On January 23, a "Music Booster Club" was organized by interested parents and friends. This was assisted by the Nadirehs Club. It is hoped new uniforms for the band will be one of the first projects.

Sheridan is to be one of the band, orchestra and vocal groups who will be in Sheridan that day, possibly 1000 to 1500 high school students in all.

The band expects to give a concert in the spring for the school students, parents, and friends.

The National Baton Twirling Contest in connection with the Winter Carnival was held at St. Paul, Minn., February 1, 1953.

Ley Anne Van Sickle, as one of the two Indiana state winners at the contest held in Indianapolis in September 1952 was eligible to compete. While she did not win at St. Paul, she made a good showing and hopes to compete again in 1954.

The Nadirehs Club of Sheridan presented the band $15.00 at Christmas time toward a uniform fund. The band also received $15.00 for their part in the Halloween parade which was also put in the uniform fund.

Fifteen soloists and three ensembles entered the contest at Muncie February 14, the winners going to the state contest at Butler University February 21.

Instruments added to band equipment this year included two basses, a baritone horn and two bell front altos.

April 25 was the date for the Hamilton County Music Festival held in the Sheridan gym. Band, orchestra, and the high school chorus took part in the combined groups.

Band played for the commencement May 11.

The band expects to carry on a summer program with outdoor concerts.

While the orchestra may be small the quality of performance has been excellent. New music has been one of the major projects this year.

Performances included the Junior Class Play, each of the monthly convocations by the Hamilton County Ministerial Association held in the gym, the district orchestra contest April 18, the County Musical, April 25, the Christmas program and Baccalaureate May 10.

Several beginning violin students started this year. During the second semester they began playing together once or twice a week to prepare for senior orchestra.

# Boy's Council

The Boys' Council is an organization for all High School boys. It is comparable to the Hi-Y in some schools. The Boys' Council sponsors a convocation given once a month in which all the ministers of the community speak in front of the entire student body. This year we had the privilege of hearing Senator Ialft at one of our meetings.

# Sunshine Society

"Service Above Self" is the slogan around which all Sun hine activities are centered.

In 1950 the Indiana Sunshine Society launched a five-year scholarship program for the purpose of financing annually five Indiana high school girls through a complete three-year nurses' training course. The scholarship has an actual cash value of $375.00, the cost of most three-year courses in accredited schools of nursing.

Each of the five districts in Indiana awards one scholarship on a competitive basis secured from a series of tests. The recipient may select her own Indiana school of nursing. This program has been established through a $100,000,000 fund raised by high school girls.

Also the Society gives aid to the Riley Hospital.

The Sheridan society has an annual Easter Bake Sale to raise money for this project.

Another of the highlights of the Sunshine Society is the impressive initiation service which was held this year at the Methodist Church. Each Senior girl acted as "big sister" to at least two freshman girls.

At Christmas the girls took baskets of fruits and candies and money to the County Home at Noblesville. The society sponsored a large Christmas Tree for the main hall. For the Christmas meeting Jeanette Pickett, a former Sunshine Ideal Girl, spoke to the girls on nursing.

Representatives attended the District Convention at Whitestown. Usually two bus loads attend the State Convention held in the spring.

# SYLLABUS STAFF

The Syllabus is the year book put out annually by the Seniors.

Being selected as a member of the staff means that we will have the opportunity to learn some of the fundamentals of publishing, editing, and composing a book. Since this book is about our friends and our school, we have added interest and pride in it.

In September we began gathering ads from the merchants of Sheridan and near-by towns. The photographer came for pictures and after many delays, we finally got all of them taken.

When a copy of the pictures were sent to use, we began mounting them as they would appear in the book.

A print of the mounted picture came back, and we then arranged them on the pages with the copy of stories and identification.

There were deadlines to meet, sketches to draw and copy to write. At times it seemed we could never get all the work done to meet a deadline, but it all worked out fine with the aid of the typists who gave their time for last-minute stories to be typed.

Besides our hard work, we also had a lot of fun working together and exchanging ideas.

We owe all our thanks to Mrs. Elma Griffith for her help and support of our book, the 1953 Syllabus.

# *TIME TO STUDY . . . .*

Remember that long ride on the school bus—(Brrr) it was cold, that is if you weren't up by the heater. Remember those few minutes we had to gossip before that 8:25 bell? Loaded down with books we hurried to our assigned seats in the assembly so we wouldn't be counted tardy. Then it was time for our principal, Mr. Hobbs, to give us the do's and don'ts of the day.

Along with those all important announcements, were awards, speeches, introductions, and a preview of our two plays given by the Senior and Junior Classes.

Mr. Hobbs also gave us many good pointers on building character, good citizenship, and good sportsmanship.

We weren't by any means, in a hurry to get to classes, but remember how we jumped when we heard those familiar words, "Classes Pass"?

This was the customary beginning of every day at Sherdian High School since the Class of 1953 first entered Junior High in 1947.

We have also met once each month to hear the various ministers in our community. This is called "Convocation", sponsored by the Boys' Council.

# CHEERLEADERS

Remember how we cheered as that last minute basket we made - - how we thrilled at that long awaited touch down - - the way we shouted as we awaited the breaking of the tape - - all this is known as school spirit.

The peppy and enthusiastic yell leaders and the yelling section, are incentives to the team to play the game in a true manner of sportsmanship whether the last blow of the whistle brings victory or defeat. The yell leaders have done a wonderful job this year in helping to promote good school spirit and a good yelling section. Lora Pettigrew, Arnola Boyer, Lorita Wright and Elizabeth Collier helped to unite and strengthen that winning spirit.

# BASKETBALL

The Sheridan Blackhawks started the season off with a win from Crispus Attucks. Weren't we proud of ourselves? Our winning streak continued throughout the season except in three games. No, we aren't lucky, we've just got a swell coach. Remember that game at Delphi, only two seconds to go and we shot and made it? Well, maybe we were a little bit lucky that time.

The Blackhawks will be missing two of their first five after this year, Jimmy Gary and Lewis Steele. These two have given their best to their team and their school. We're proud of them.

The class of '53 wishes the best of luck to Coach Larry Hobbs in his future years at Sheridan High as coach and principal of our school.

# FOOTBALL

The Sheridan Blackhawks began a new season this year with a brand new coach. Everyone anxiously awaited that first game with Carmel. Guess who won? Oh, well, that's just our first game.

It wasn't long before Mr. Day had the team rolling. Our victories weren't many but we've got to hand it to the coach and the boys because they sure kept that fighting spirit, whether winning or losing. We're proud of them.

We'd also like to say "Good Luck" to a swell coach and may his victories be many.

# TRACK

The 1952 track team ended with a swell season behind them. Although we lost the county, we know that the boys never gave up until that last second.

The 1953 track team, coached by Byron Stout, will be led by these seniors: Jim Gary, John Oberleas, C. A. Ramsey, William Hunt, and Larry McClure. These boys will be anxious to match the record of those boys who did so well in 1952.

# JR. HIGH SPORTS

The Jr. High team, under the capable coaching of Mr. Delph, soared to victory many times during the 1952 basketball season. Their main handicap was lack of height, but these boys had the will to win which is always the main factor in any sport.

The two most important reasons for this Jr. High team is that it provides good, clean fun for the younger boys and also prepares them for varsity sports in High School. Because of Mr. Delph's untiring efforts, we wish him the best of luck in future years as Jr. High coach.

## COUNTY TOURNEY

The Sheridan Quintet captured another County Tourney victory by defeating Walnut Grove in the final game. It was their third straight county victory.

Although the Hawks gave their all during the season's schedule they couldn't quite regain the Hoosier Conference Championship.

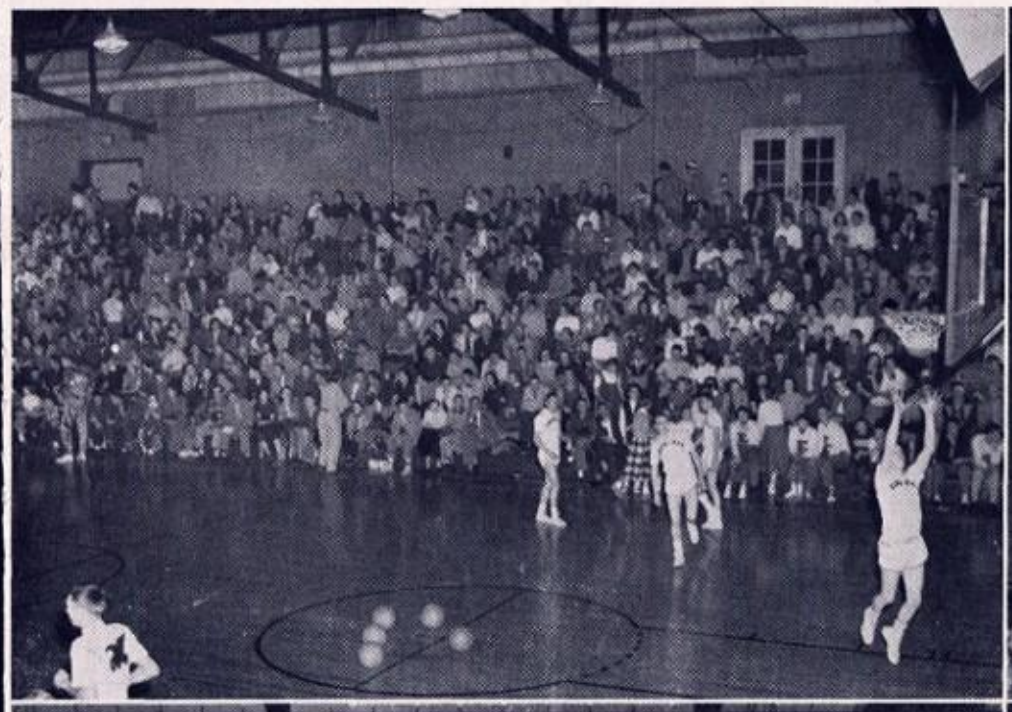
Mr. Hobbs and his team wound up the basketball season with 22 wins and only 4 losses. The Class of 1953 couldn't ask for a better memory of the Sheridan Blackhawks than that.

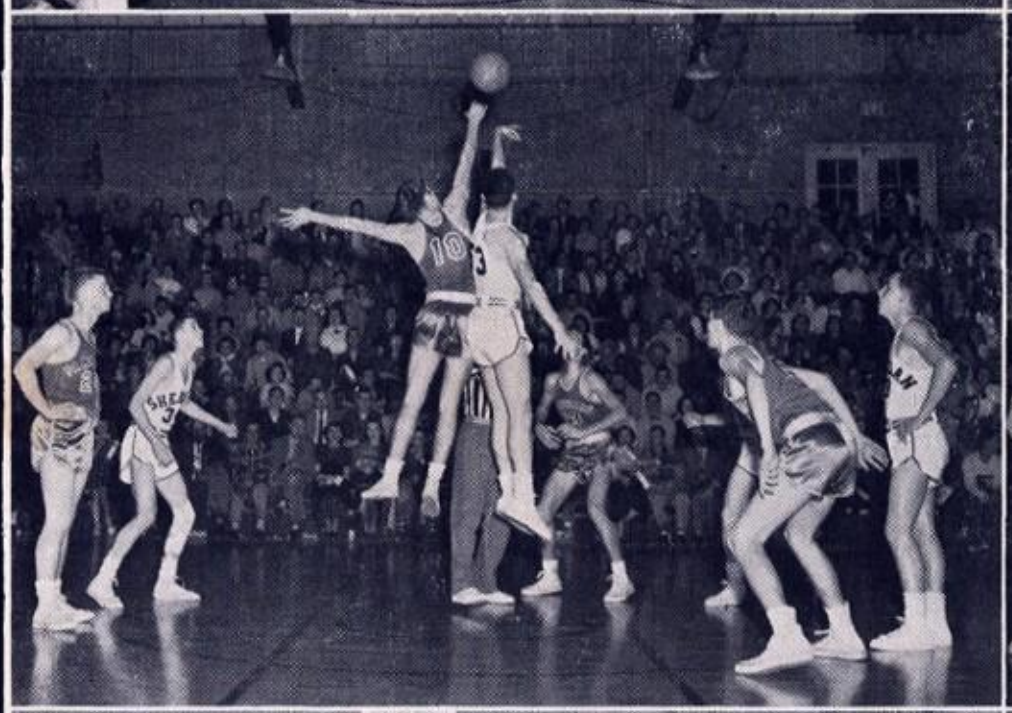
## SECTIONAL TOURNEY

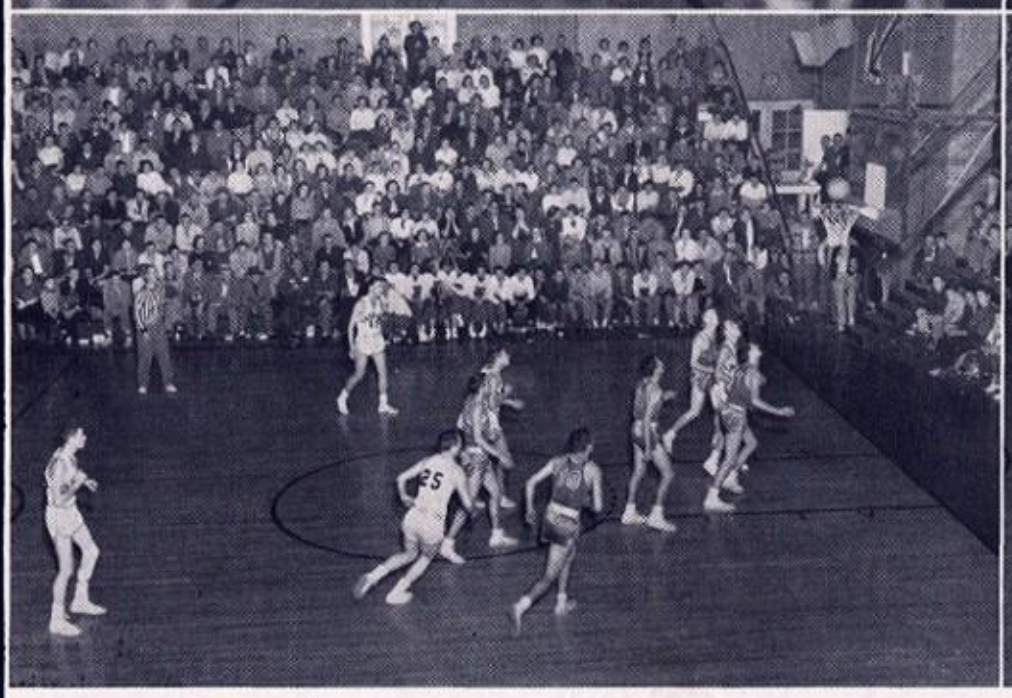
Mr. Hobbs and his mighty Blackhawks do it again. By defeating Walnut Grove and Jackson Central we undertook the Saturday afternon game with Tipton. Sheridan was victorious in the afternoon game and went into the final game with flying colors. By winning over a good team, Carmel, Sheridan gained another sectional victory to make it five in a row. And now we take you to the Regional Tourney at Kokomo.

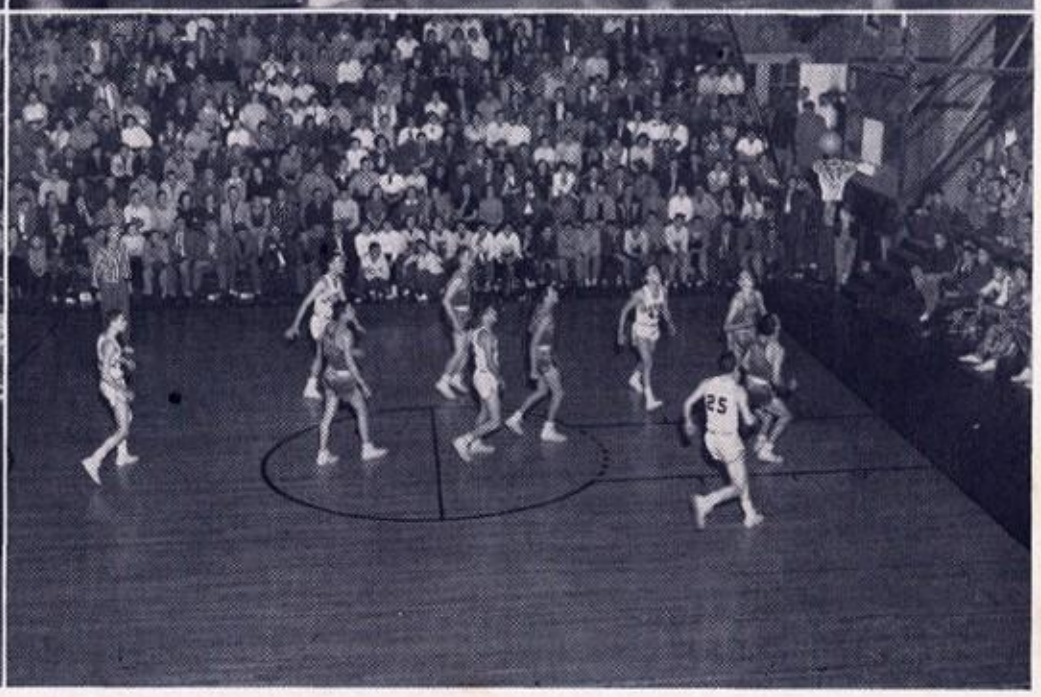
## REGIONAL TOURNEY

The Blackhawks traveled to the Regional Tournament with the best record of the four teams to play at Kokomo. They kept their record by defeating the Wabash Apaches in the second game of the afternoon. Sheridan made history again by going into the final game against Kokomo. The Sheridan "Hawks", though lacking in height, played the greatest battle of their entire seasonal record, and were outscored only two points by the Kokomo Wildcats. To Mr. Hobbs and our team we say these words, "We're proud of you."









1. Just warming up.

2. S-H-E-R-I-D-A-N Fight ! ! !

3. Get That Ball ! ! !

4. **Dewain Johnson** 5. **Lewis Steele** 6. **James Gary**

The "Battling Blackhawks" came through with fifteen wins and three losses. Also, they were victorious in the County Tourney, and Sectional.

We are proud of their fine school spirit and wonderful sportsmanship. Under the capable coaching of Mr. Hobbs, the Sheridan Blackhawks have won much recognition. We extend to him our many congratulations.

Those boys who gave their best to their team and to their school, and who will be graduating this year are Lewis Steele and James Gary.

Graduation 1953

Dear Bill:

Well, finally the day has come when there will be no more: what do we have in government; have you got your history yet; when do we have to hand in that biography for Literature; are we ready for the last Syllabus deadline? Those days are probably gone for good. It was a sweat, but we finally made it.

Remember all those football games; those basketball thrills; the track meets; the band playing our school song; the judging team trips? These are just a minor part of the unforgettable incidents which we will always treasure as memories.

And yes! Do you remember before the county track meet when we stayed up late and learned presidents! Remember, Washington, Adams, Jefferson, and on through. I know, it wasn't very funny then, but in years to come we will probably remember those good days. If we intended to get in the Honor Society we had to learn those things.

The next day after the track meet about fifty seniors left for Washington, D. C., and New York, along with our capable sponsors, Mrs. Griffith and Mr. Waitt. I think we really deserved this trip since we had worked so hard with our class plays and selling and working concessions and just any other way to earn money.

Another thing! Remember that old car you had in which we rode to and from school? How could anyone forget?

But those were just everyday happenings. The big day was when we were sitting patiently (?) on the stage of that famous building which we will always remember as good old S.H.S. Yes, this is graduation. Everyone has taken another big step in life.

Regardless of the other things in life, we will never forget our school days.

I'm wishing you luck. I know you will make the best out of everything.

Congratulations!

From a classmate,

Keith.

The lecturer on forest conservation was loudly berating the general public for it's indifference to the preservation of our timber reserves.

"I don't suppose," he declared, "there is a person here tonight who has done a single thing toward conserving our timber supply."

After a momentary silence, a meek voice spoke up from the rear, "I did. I once shot a woodpecker."

The instructor at the medical college exhibited a diagram.

"The subject here limps," he explained, "because one leg is shorter than the other."

He then turned to one of the students.

"Now, Mr. Sparks," he said, "what would you do in such a case?"

Young Sparks pondered earnestly for a moment.

"Well," he announced finally, "I think that under the circumstances I would limp, too."

"Oh, yes," replied the man, "quite comfortable."

"And what did my little son learn about this morning?"

"Oh, a mouse. Miss Green told us all about mouses."

"That's the boy! Now, how do you spell 'mouse'?"

It was then that Frankie paused mediatively for a moment, before saying:

"Father, I guess I was wrong. It wasn't a mouse teacher was telling us about. It was a rat."

The most unfortunate letter in the alphabet, some say, is the letter "e", because it's always out of "cash' forever in "debt", and never out of "danger".

That's all true. Still, it's never in "war", always in "peace", and always in something to "eat". It is the beginning of "existence", the commencement of "ease", and the end of "trouble".
